

Pool Safety
High 5
a safety checklist

- Watch your kids when they are in or around water, without being distracted.
- Choose a Water Watcher if you're in a larger group to make sure you're clear on who is responsible for the kids. Download it [here](#).
- Enroll your children in swim lessons.
- Empty out your kiddie pool after each use and store it upside down.
- Learn CPR and basic water rescue skills in case of an emergency.
